January 30, 1933,

Dear Dr. Lovejoy,

Do hope you get down to see us while we have the U.S. Public Health exhibit on Pellagra. It is creating more interest over the county than anything we have put on. Write we are displaying it at County Medical meeting.

The State Medical is in Greenville on February 13th, 14th, and 15th, and I have written to Dr. Carpenter who is chairman
